Dear Sir/Madam:

It gives great pleasure to notify you of the fact, that the NATO Science Committee have awarded you a grant type DC for the purpose of inviting scientists from NATO Cooperation Partner countries. This being valid for a period of 6 months.

It is imperative that we are notified at the soonest possible convenience of your acceptance or rejection of this offer.

Pending your acceptance the payment of said grant will be made monthly. As a result we will require banking details.

This figure realises a sum of 70000 Belgium Francs. Also included will be the travel expenses incurred by a return flight from the beneficiarys nearest airport. The travel expenses must only be treated with Ecuador-Wagons-Lits Viajes, S.A. Avda. de Bruselas, 36, 28028 - Madrid. Tfno.: 91/725-56-37 and 91/725-57-42. You have to contact Mr. Juan de Dios Díaz in the agency.

The grant will also cover medical insurance during your stay in Spain. We shall send you this medical insurance when you arrive in Spain.

Should any resulting work be published during the period of NATO sponsorship, aknowlegment of this fact would be sought for in said publication.

I take this opportunity to offer you my heartfelt congratulations and my sincerest hopes for future collaboration.

Yours sincerely,

Fdo.: Daniel Sáez Álvarez
